PLANNING PROGRAM

life includes
a thoughtful
tomorrow.*

PLAN TODAY.
CARE TOMORROW.

WEEK ONE

Reflect

TAKE TIME. CONSIDER WHAT MATTERS.

Life is a gift, and it's worth taking time to reflect on the people, values, and responsibilities that matter most.

This week, we invite you to prayerfully consider your personal wishes, important decisions, and the legacy you want to leave for your family, loved ones, and your parish community.

PRAY

Ask for God's guidance as you reflect on your life and values.

CONSIDER

Think about your wishes, responsibilities, and the people you care about.

TAKE THE FIRST STEP

Use the Reflection Guide to help you get started.

*"Teach us to number
our days, that we may gain
a heart of wisdom."*

PSALM 90:12
